

## Key

Foundation, Higher or Advanced Diploma	The Diploma combines study with practical experiences. It is available at Foundation, Higher and Advanced level (Level 1 - Level 3).
GCSE / A Level	GCSE and A level qualifications are available in many different subjects. They can be combined with Diplomas.
Apprenticeship	Apprenticeships allow young people to learn at work and gain qualifications at the same time. Most young people work for NVQ qualifications.
Foundation Learning Tier	Foundation learning courses combine practical and vocational experiences with basic maths, english and ICT. This is for learners not ready for a full level 2 qualification.
Other Applied Learning	There are many alternative applied learning courses including Introductory and First Certificates, Young Apprenticeships, Awards and Diplomas.
