|   | Literacy 1           | Subject focus:<br>Drama |           |

**Now use the following 3 keywords in a sentence:**

Example:

*'Claire used her facial expression to show she was angry by scrunching up her face.'*

1. Movement:

---

---

2. Facial expression:

---

---

3. Voice:

---

---

**How well did you do?**

You are able to understand the meaning of \_\_\_/7 key words in drama.

You are able to write about \_\_\_/3 keywords correctly.

**What could I do to improve?**

I must practise saying the key words out loud at home.

I could try including the key words when discussing drama in small groups in my drama lessons.

I could use the key words when describing someone's performance as a character.

I could use the key words when writing my assessment or evaluations in my drama booklet.
