

**Shaun in the city Year 7 Home learning Project 5<sup>th</sup> June 2017 Hand in week beginning 10<sup>th</sup> July 2017**

Weeks 1 – 5

Your mission is to create a “ Shaun in the city “ sculpture using a selection of materials and present to your class during your art lesson the week commencing . You should be able to discuss your sculpture, your ideas behind it and how you made it.

Week 1 - Research the ideas behind “ Shaun in the city” and gather as much information as you can . Decide on a theme for your sculpture . Once you have found enough inspiration collect materials to create your sculpture ie newspaper, string, cardboard , glue, plastic cups

Week 2 - Begin to create your sculpture- plan your time carefully to allow for glue or paint to dry if you are using them.

Week 3 - Develop and refine your sculpture - ask parents, friends and siblings what they think you could do to improve your design.

Week 4 – Continue to refine your sculpture from the advice your parents and siblings gave you, you could take photos to help with your presentation ,

Week 5 - Add the finishing touches to your design - write a short presentation that you will read out when you present your sculpture to the class.

**Success Criteria Shaun in the City Sculpture One mark given for each point achieved**

- 1. Your sculpture should be 3 Dimensional no larger than the height of an A4 piece of paper, ie 30 cm**
- 2. It should be clear from your sculpture that you have looked at a specific theme and based your design on this theme.**
- 3. Your design should be innovative and creative.**
- 4. You should be able to say how you developed and refined your idea.**
- 5. Your sculpture must be finished to the best of your ability.**
- 6. You should be able to present your work to the class and explain your idea and how you made it.**

**The best work will be displayed in the art exhibition at the end of the summer term.**
