Timeline of my life

You need to create a timeline of your life so far. Use the events below to form the basis of your timeline. You then need to add at least 5 more events that fit between the earliest and latest dates. Each event should have the date and a brief explanation and be in chronological order.

The events;

Your Date of birth (This is the start of your time line)

Naming Ceremony

Start Primary School

Start Secondary School (This is where your timeline should finish)
