7th September 2017

Dear Parents and Carers,

Re: Show My Homework

Your child will now be using 'Show My Homework' to access home learning set by their teachers. Over the next few days students will be given their pin to log in, as well as a parent pin and parent code. To get started, please follow these instructions:

1. Go to www.showmyhomework.co.uk/pin or open the mobile app (we suggest downloading this so you can access homework easy and get notifications for when your child's homework is due in).
2. Enter the PIN provided and any other information requested
3. Follow the on-screen instructions, making sure you use an active email address

If you already have an account, go to the Edit Profile section of your account and enter your parent code in to the box to link to your child. The parent code is valid until 06/12/17 and it can be used to create up to 5 parent/guardian accounts.

If you have any questions or need help with 'Show My Homework' we will have a member of staff on hand to assist you at our Welcome Evening on Thursday 29th September.

Yours faithfully,

Melanie Cook
Deputy Headteacher
