25th April 2018

Dear Parents, Students and Carers,

Re: Year 13 Psychology Revision Session – Tuesday 1st May 2018

We are delighted to confirm that we have arranged a special Psychology Revision Session on Tuesday 1st May at 9.00 am from one of the senior lecturers at the University of Hertfordshire. This will take place during normal lesson time in school and students should ensure they are seated by 08.55 so that the session may commence promptly.

The event has been organised through the University of Hertfordshire's Outreach and Widening Participation Programme and is a bespoke session created uniquely for Thomas Alleyne students. Please ensure your son/daughter attends registration and form time at 08.30 as usual and the session will be held in room B1, the normal Psychology teaching room. All Year 13 Psychology students are expected to attend as this is a very important part of their examination preparation.

Yours sincerely

Mrs J Lewis
Head of Sixth Form
