Dear Parents/Carers,

RE: GCSE Geography Support Classes

Please be advised that in an effort to maximise your son/daughters GCSE preparations for their exams in geography, Mr Dewart is offering a range of additional support lessons for students.

All of the students have been informed of these revision classes, dates and times. Your child's session has been booked in for **Saturday 11th March. Students should be in school by 9.45am; the session will start at 10am and conclude by 12:30pm.**

Please be aware these sessions are voluntary, although I would strongly advise that students attend all sessions available.

This session is informal and students are not required to wear uniform, however, normal school behaviour is expected. They are welcome to bring in drinks and snacks for the morning.

Yours sincerely,

Mr M Smith

Head of Humanities

The Thomas Alleyne Academy
