Privacy Notice - Data Protection Act 1998

We The Thomas Alleyne Academy are a data controller for the purposes of the Data Protection Act. We collect personal information from you and may receive information about you from your previous school and the Learning Records Service. We hold this personal data to:

- Support your learning;
- Monitor and report on your progress;
- Provide appropriate pastoral care, and
- Assess how well we are doing.

Information about you that we hold includes your contact details, national curriculum assessment results, attendance information and personal characteristics such as your ethnic group, any special educational needs you may have and relevant medical information. If you are enrolling for post 14 qualifications the Learning Records Service will give us your unique learner number (ULN) and may also give us details about your learning or qualifications.

Once you are aged 13 or over, we are required by law to pass on certain information to providers of youth support services in your area. This is the local authority support service for young people aged 13 to 19 in England. We must provide the names and addresses of you and your parent(s), and any further information relevant to the support services' role.

However, if you are over 16, you (or your parent(s)) can ask that no information beyond names, addresses and your date of birth be passed to the support service. This right transfers to you on your 16th birthday. Please tell Mrs Dellow (SIMS/Data Manager, SIRO) if you wish to opt out of this arrangement. For more information about young people's services, please go to the National Careers Service page at <https://nationalcareersservice.direct.gov.uk/aboutus/Pages/default.aspx>

Some of the information you supply will be used by the Skills Funding Agency to fulfil its statutory functions, issue/verify your Unique Learner Number (ULN) and update/check your Personal Learning Record. The Skills Funding Agency may share your ULN and Personal Learning Record with other education related organisations, such as your careers service, school, college, university, Government Departments and public bodies responsible for funding your education. Further details of how your information is processed and shared can be found [here](http://www.learningrecordservice.org.uk/NR/ronlyres/30EE21D9-0C38-4A67-85D9-923C052F2999/0/PN02PrivacyNoticesstudentsandlearnersversion13aug2012.pdf).

Where secondary schools are involved in collaborative delivery with other schools / colleges and learning providers, pupil information may also be shared to aid the preparation of learning plans and use of data to achieve the objectives identified above.

We will not give information about you to anyone without your consent unless the law and our policies allow us to.

We are required by law to pass some information about you to our Local Authority (LA) and the Department for Education.

We are required by law to pass some information about you to the Department for Education (DfE) and, in turn, this will be available for the use of the LA.
