

THE NEW THREATS STRANGER DANGER in today's world – Learn how to ID BEHAVIOURS
Training for Pupils ; Staff & Parents

We would never suggest that young people avoid social media, but we cannot ignore the clear and present **danger of harm online & offline in 2018; CSE and County Lines of which we all need to be made aware.** We need to **build digital resilience and the consequences of making mistakes online and how to avoid the pitfalls.** In these days **the need for awareness of stranger danger on and offline is ESSENTIAL has never been more relevant**

Our training is focused on CRITICAL THINKING and implications of being rash. Agenda is age appropriate and 30 mins for years 3 & 4; years 5 to 11 are one hour sessions ; twilight for staff 2 hours; parents attend with their child with year 6 and option again in the evening with OLDER children.
