

# COMPETITION WINNERS

Black History Month Student Competition WINNERS!

During Black History Month we launched a competition for students to create an homage to a person who has made a difference in Black British history. We received some fantastic entries but our top 3 were;

## Nadia Gonera (Year 8)

I loved that Nadia focused on some lesser known heroes of Black British history and brought them to life with some excellent drawing! Nadia's set of 3 portraits included Pablo Fanque, the first Black Circus owner in Britain, Olive Morris, a Black activist and feminist in London in the 1970's, and Mary Seacole, who famously looked after British soldiers in the Crimean War.

## Mila Spalding (Year 7)

Mila showed great creativity to bring Rosa Parks to life with her textured piece. Rosa Parks was one of the key figures in the Civil Rights movement, having a global impact on the fight for equality.

## Sadie Parker (Year 7)

Sadie has presented a brilliant snapshot of Baroness Floella Benjamin, a multi-talented member of the Windrush generation that came to the UK in the 1960's. Sadie has highlighted Floella's many talents and included one of her most powerful quotes.
