## Spending money

You may wish to provide a small amount of spending money for souvenirs, snacks etc.

All meals are included, except for lunch & dinner on the last day when we travel home.

We recommend a pre-paid card for travelling, such as those provided by Monzo or Revolut.

This allows you to see transactions and manage the card through an app in case of emergencies and is often safer than carrying cash.

## **Kit list**

### Clothing:

Comfortable clothing appropriate for Spanish Spring weather. The average temperature will be 20°C.

Jeans and T-shirt with a light jumper for evenings, and comfortable trainers for walking.

When visiting the Cathedrals, it is important to dress conservatively. Avoid crop tops, vest tops, shorts or miniskirts. Bring a light jumper on these days to cover up if needed.

We highly recommend a bum bag or similar to carry essentials. These are safer in a tourist / city environment and minimise the risk of pickpocketing.

## Kit list
